PANTHER PRIDE

Bentley School is a partnership where respect,
integrity and dedication are emphasized to
promote excellence.

To Whom It May Concern:

This is a letter of reference for Johanna Pratt who worked at Bentley School for a short term as an Educational Assistant.

During her time at our school I found Johanna to be very professional and flexible in regards to her duties. She specifically worked with a Junior High student with behaviour and focus issues. She was very patient and calm when dealing with him and was able to help him achieve his academic goals. Unfortunately the student was placed in another setting which was the reason Johanna was let go from Bentley School. Johanna also provided additional support in our High School in the afternoons, which can be a little intimidating but once we established a routine she was able to step right into our classes and help those students who needed a little extra support.

I understand that Johanna is looking to return to school to be a teacher and feel with her background, experience and skills she would be a successful candidate for the program.

If you require any further information please feel free to contact myself at 403-506-9682.

Sincerely,

A handwritten signature in black ink, appearing to be "Lane Moore". The signature is written in a cursive, flowing style.
